# DISTRICT 19-I LEADERSHIP

## THROUGH SERVICE

EDITION #9, MARCH, 2019

[www.lionsdistrict19-i.org](http://www.lionsdistrict19-i.org)

Message from 19-I's  
District Governor Mike Dukes

## Service Reporting and Why Is It Important?

Here we are moving into the month of March and I have completed 40 of my official Club visits with 13 to go. What I have learned is that we have a wonderful District made up of a group of people who I am proud to count as friends. This is a richly diverse group of people who all bring something personal to the table that at the end of each year we can be proud of.

These results show us that there is room in the world of service for us as individuals, group community service and International service to the larger world. I come away from this with a better understanding of the value of service ... not being what anyone of us does, but what we collectively do that counts for so much.

This leads me to the discussion of **"Service Reporting and Why Is It Important?"**

We use information to help direct our efforts to help in Service at the Club level. We answer the question "Have we communicated our goals for the year in a positive manner that promotes efforts to reach the goals?" And then plan accordingly.

For example we asked that each Club report its "WMMR's" membership activity on a monthly basis and our District currently has a 96% reporting rate, which is exceptional! We are able to use this information for having a clearer understanding of the health of our District and what we can do to improve or maintain our abilities for service. I would like to thank all of our Secretaries for this excellent work and ask you to keep it up. In the area of Service Activity reporting we are currently only showing that 51% of the Clubs are reporting. First off this is about in the middle of the results in our Multiple Districts.

Since I hope that we do a better job in this area I need to tell you why.

The data generated from reporting service activities is summarized and used throughout the Lions organization in many ways. This data helps Lions International in competing for additional funding **through forming partnerships with other service organizations to further our goals in service.** It helps in telling our story in such a manner that we become better known as an organization that accomplishes what it sets out to do in meeting service needs throughout the world. When we do this we begin to see positive results such as an increase in membership, which will increase the amount of service that can be completed with more individuals who will be part of our future leadership team.

We still have a third of the year to improve on this area of reporting our story, so I challenge us all to pull together and see if we can move our results forward to a 90% reporting rate of our service activities. Presidents and Secretaries please have this conversation with your Clubs and let's see what we can do.

## COMOX VALLEY Lions Club

By Lion Robert E Scales

At our February 5th meeting, Lion President Charmaine presented PDG Joyce Boyle with a Silver Centennial Award on behalf of Lions International.

The Comox Valley RCMP and School District #71 organize a bi-annual RCMP Boot Camp for 30 students. This 5-day event requires students (grade 10 & 12) apply and be vetted for acceptance. The program provides a positive influence on the students, who will learn much about themselves during this busy week.

President Charmaine presented a \$1,000 cheque to Cst. Monika Terragni from the RCMP and Randy James from the School District. VP Chuck gave our speakers each a box of chocolates.

This is a great event for our local youth and we thank the many volunteers who are involved with putting this on.

In January, a broken water main flooded out all 16 residents on the bottom floor of the Mariner Apartments on Comox Avenue in Comox.

A fundraiser was arranged for February 7th and the picture above is of CVLC Secretary Nancy presenting a \$500 cheque from us to Terry Farrell, one of the event organizers.

The monies raised will be divided evenly among the 16 tenants who are scrambling to find accommodation in our already tight rental market.

## NANAIMO Lions Club

By Lion Leslie Smith, President

### Dumpster Divers –

This ongoing project throughout the year continues to do well.

Our annual budget now is \$14,000 in revenue from bottles that are collected from local restaurants and marinas.

### Flea Market –

Our Super Duper Spring Flea Market will be held on Saturday, March 30<sup>th</sup>. Doors open at 9:00 am with admission of \$1.00. Venue will be at Beban Park Centre. Pot of Gold 50/50. All are welcome to attend! All proceeds help the Nanaimo Lions Club fund great local projects.

### Family Free Skate –

This year we have had 5,375 skaters so far for a total of 23,519 in the last four years. A great family event that is free for everyone!

### Family Free Swim –

When our skating ends in March will be starting our family free swim on Sunday, April 7<sup>th</sup> and it will run until the end of June. Another great community free event.

By Lion Jim Bailey, Secretary Sooke Lions Club

On Feb 24, 2019 members of the Sooke Lions Club, Sooke Harbourside Lions Club and Sooke District Lioness attended a training/information session on the Welch Allyn "Spot Vision Scanner".

The three Clubs will coordinate and start scanning local school children in the near future for vision problems.

Thank you to Lion Rob Dalton who came all the way from Port Alberni to train us.

# MAYNE ISLAND Lions Club

By Lion David Chase

So, what are the Lions up to at this time of year? John Glover is giving a presentation to our members at our next meeting on March 6 about online security, scams and how to protect ourselves from being victims of scammers. A public seminar on this topic is in the plans for the near future.

Our nominating committee is actively lining up our new executive slate to be elected at our March meeting to serve from July 1 through June 2020.

The Directors may take on different tasks, but traditionally they have included rentals, equipment inventory, storage, maintenance, delivery, set-up/takedowns, telephone book production, web page design and maintenance, and budget.

Before the end of June, the many tasks required for our services require our members to step up to take on leaderships roles for The Guide Dog Program,

The Dog Show, Lions Mayne Islander of the Year, Steak Night, Car Rally, Bursaries and Scholarships, Salmon BBQ (with many sub-committees and volun-

teer roles), Bingo, Charter Night, Santa Ship, Seniors Dinner and Evening out, Bike rodeo, 222 Draw and Eye Glasses collections.

Other effective ways (providing labour or equipment or food services) in which we serve the community is to assist or partner with Dinner Bay Park maintenance, Japanese Gardens, Christmas lights in the Gardens, Canada Day activities, Terry Fox Run, Tour des Iles, Baseball, Fall Fair, Church Fair and other events.

With the positive leadership we have had over the years, traditional activities and roles have endured and flourished while re-evaluations and bright ideas have brought about changes, as well. I know for sure that the lists above have omitted some of our tasks. Also, I believe we haven't accessed some of the talents and skills of all of our older and newer members who could bring to those "bright ideas" to add to the services we can provide on Mayne Island.

# BAYNES SOUND Lions Club

By ZC Jacquie Miller

We continue our meat draws at the FBI on Sundays from 5-8 to the rockin' sounds of the Ryder Bachman band.

On February 18 we had our visit from the District Gov. It was the same day we had a Meet-Your-Neighbour event in town, which the DG Showed up for. DG Mike showed off his gift of an FBI toque. He stopped to pose with Lions Bruce and Clayton.

The DG presented Lions Jacquie and Norm with respective 15 and 25 year Chevrons.

## Milan Parade Uniform

The new MD19, LCICON parade uniforms are now available for order!

*What's that, you ask? New MD19...parade uniforms?*

**Yes, it is true - at least for the 2019 LCI Convention in Milan (and likely the 2020 LCI Convention in Singapore).**

No white cowboy hat, red vest, white pants, white belt, white sox and white shoes for Milan.

The idea is to make international travel for our MC19 Convention roadies a little easier by offering up a parade uniform that is packable, affordable, visible (as in bright, distinctive, unique), and suitable for non-convention wear too.

12 March 2019 LTS

The main component of the new uni's are the shirts, pictured on the left, which are available in either unisex or ladies cut, in sizes from XS to 4XL.

Just what colour is that?

Officially, the new shirts are "Neon Pink Raspberry", or as we say here in MD19, just "Raspberry" for short.

**Shirt Pricing, which includes MD19 and Milan 2019 logos:**

**XS to 2XL: \$30 (\$40 CDN)**

**3XL: \$32 (\$42 CDN)**

**4XL: \$33 (\$43 CDN)**

Order yours today by emailing your size, desired quantity and contact information to the MD19 office and they will follow up with you regarding payment and delivery details.

For those heading to Milan, pack khakis (pants or skirt) which you likely already have, to complete the Milan parade ensemble waist down to comfortable shoes of your choice.

And no, you don't have to be going to Milan to own and wear one of the new shirts - the 2019 Milan parade shirts are serving double duty as the "official" 2019 MD19 shirts as well.

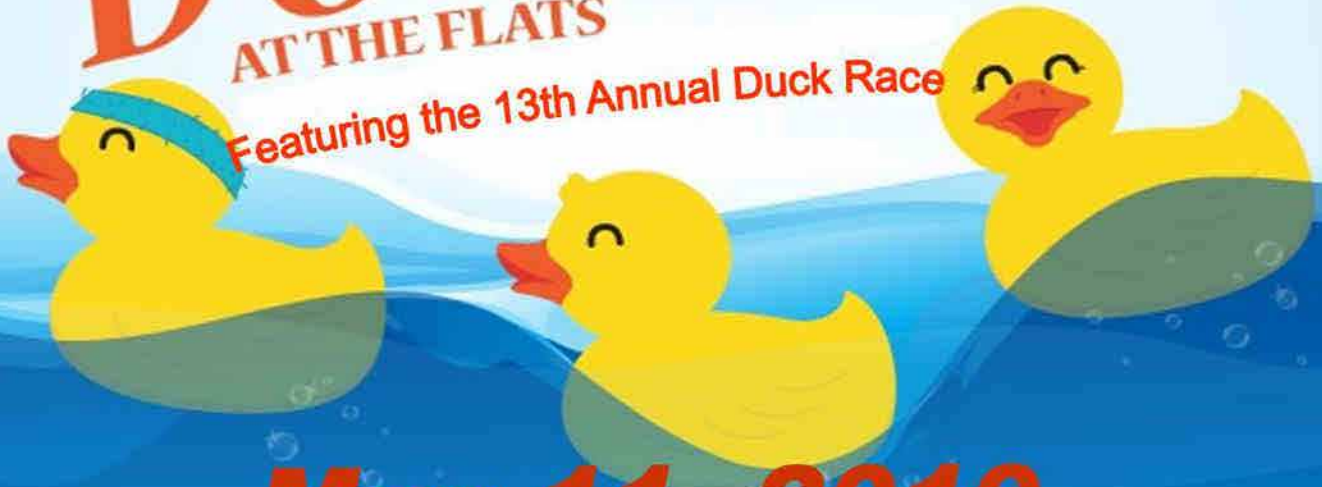

How special is that!
